Dog Friendly Weddings

We are proud to be a dog friendly wedding venue knowing how much it means to many couples to have their much-loved dog be part of their special day. Your dog can be with you as you prepare for your wedding, walk you down the aisle or act as ring bearer. They can be with you as you tuck into your wedding breakfast or join in the first dance in the disco. Well behaved dogs are welcome in all of our venue spaces.

ACCOMMODATION

We have three self catering properties available to hire, sleeping up to 14 people. Two are located on the Estate itself and the other in the historic village of Falkland only a five minute walk away. Two of these properties are dog friendly.

Details of property facilities, availability and pricing can be found on our website where you can book directly. www.falklandestate.co.uk/visit/stay/

Should you require additional accommodation the village of Falkland and the local area offer a wide variety of options and our wedding and events team can provide recommendations if needed.

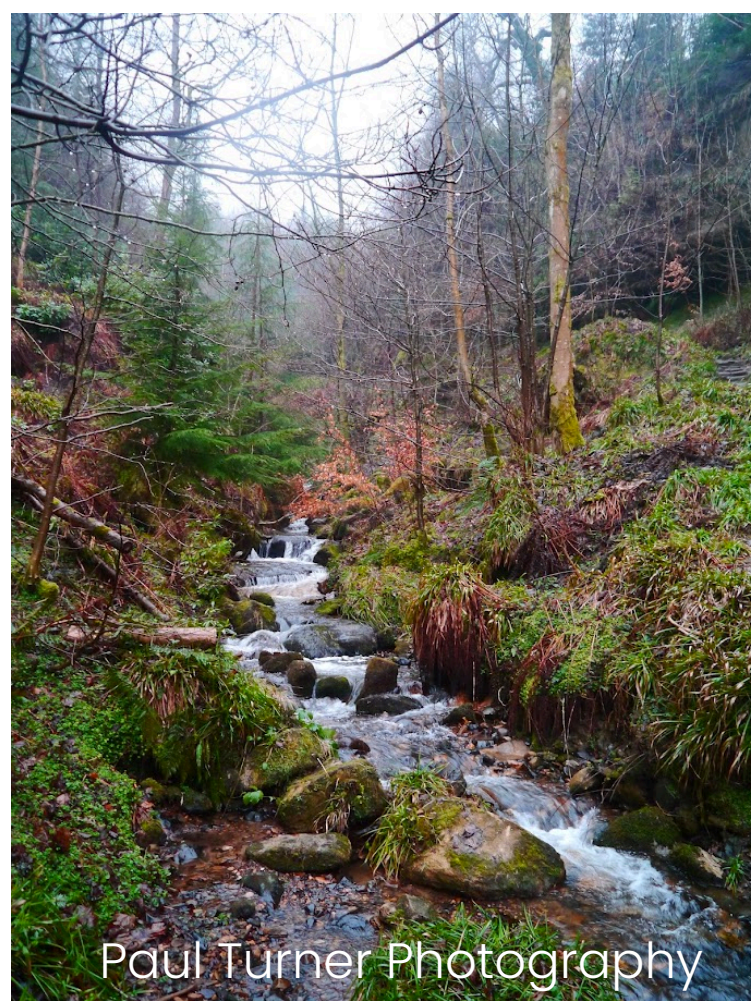

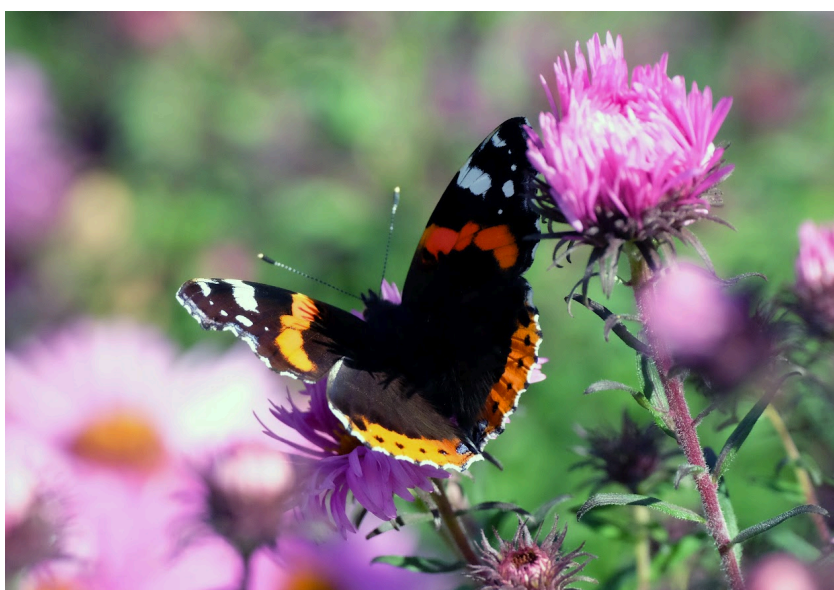

SPREAD THE LOVE

Not only is Falkland Estate an events venue with a difference, it's also a venue striving to make a difference, promoting sustainable change through its own ethical practices and outreach programmes. The Estate offers free public access enabling the beauty of its historical buildings, landscape and wildlife to be enjoyed by all.

As a charitable trust the funds we raise through the events we host help finance the work we do looking after the land and its inhabitants in our care and improving the facilities and experiences on offer. By choosing our venue for your special day you are contributing directly to the sustainability of Falkland Estate as a place to be enjoyed now and by future generations.
